

## Venture Returns Launches Outsourced CFO Services

March 24, 2009 – Venture Returns is excited to announce the launch of our new outsourced CFO and accounting services. We invite you to let us do your back office work so you can focus on growing your business.

We guarantee best pricing and top quality. How do we do it? We use a team of outsourced analysts managed by seasoned US-based professionals. Our professionals have worked as CFOs of venture-backed startups, at Ernst & Young, Bain & Company, Lehman Brothers, Deutsche Bank, and venture capital and private equity firms.

Highlights of the service:

- Intimate familiarity with all major accounting packages: QuickBooks, Great Plains, Peach Tree, and others
- Monthly key performance indicators to investors and management
- Timely budgeting and forecasting
- Capitalization table and options management
- Payroll, taxes, and other value-added services
- Use of Venture Returns network to find and attract investors
- Free annual and quarterly 409a valuations

Two packages are available now:

- **Premium Service.** 50+ hours of CFO and bookkeeping services, up to two onsite visits per month, and additional visits and work at a fixed hourly rate.
- **Basic Service.** 35+ hours of CFO and bookkeeping services, with onsite visits and additional hours paid at a fixed hourly rate.

Mike Mothner, the CEO of WPromote (#1 rated Inc. 500 Internet Search firm), said our pitch was "music to his ears." He has called our work "efficient and effective" and that "we really understood the business and industry."

References, sample reports, and other materials are available upon request. Contact us today. To get started simply reply to this e-mail.
