

## **VentureReturns.com Is Now Live with a Redesigned Site**

October 31, 2007 – Venture Returns Inc. ([www.venturereturns.com](http://www.venturereturns.com)), a community dedicated to growing private companies, launched a new version of its site today. Venture Returns' new site is home to thousands of profiles on venture capital and private equity firms as well as services to help private companies grow from inception to exit. The two core features of the new site are the growing database of entrepreneur reviews investors and an innovative valuation tool that allows anybody to easily find valuation multiples and use them to value a private company.

Anthony Woods, Venture Returns' President, commented, "We are excited about the changes to our site. The high quality of data is still present but users will find the site much easier to use. We also feel like the valuation service has an opportunity to become the Zillow.com of private companies."

To find out more about the company, please visit [www.venturereturns.com](http://www.venturereturns.com) or contact Venture Returns directly at (800) 822-2466. The company invites all professionals who work with fast-growing private companies to come to the site and register. The company is developing additional valuable products regularly, and will make them available in the coming weeks.

### **About Venture Returns**

Venture Returns ([www.venturereturns.com](http://www.venturereturns.com)) is a community dedicated to growing private companies from inception to exit. The company originally launched by offering a forum for entrepreneurs to review and rate investors. Since launch, Venture Returns has created the most in depth database of information about venture and private equity backed entrepreneurs. Venture Returns has also recently released a first-of-its kind valuation web service for private companies that allows anybody to get a rough sense of the valuation of a private company. The company is constantly developing new services based on feedback from its user community.
